

## Annual Report

*"May be there is a road ahead of it,  
May be there is a new world down the road,  
Walking forth is the only plight,  
Because we didn't come this far to come this far only."*

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

**Learning by doing-** "Tell me and I forget. Teach me and I remember. Involve me and I learn." The pandemic did not hinder our quest for all round development of our students. Therefore co-curricular activities and celebrations of the special days were also a major part of the curriculum. Virtual celebrations of Mother's Day, Earth Day, Environment Day, International Yoga Day, Father's Day, Investiture Ceremony, Teacher's Day and Independence Day were also compassed.

By the Grace of Almighty the school campus resonated with children's voices by mid of September and exuberantly we switched over to offline mode. Students were so excited to see their teachers after a long span of time and whole heartedly they started dealing with academics as well as co-curricular activities.

**Health is Wealth-**Activities for World Mental Health Day, Slow cycling Race, 'Run for Unity' etc. were also organized.

With the sole purpose of updating teachers knowledge our team of teachers are made a part of the training sessions and workshops conducted by CBSE from time to time.

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through interhouse, interclass and state level championships such as UCMAS Abacus championship, Rangoli making kho-kho etc.

As per CBSE guidelines FIT INDIA SCHOOL week was organized in which our Pritalians registered themselves in Fit India Campaign and participated spontaneously in Yoga, Fitness Exercises quiz etc.

Another initiative by CBSE 'Azadi ka Amrit Mahotsav' gave us an opportunity to conduct plethora of activities which really helped our students to know more about their nation.

Excellent CBSE class 10<sup>th</sup> result as always, filled us with pride and I feel happy to mention that we had 100% result for the academic session 2021-2022. The credit for this excellent performance goes to our team of committed teachers, hard working students and their devoted parents.

The support of parents and their co-operation has been immense throughout the year and has contributed towards the successful culmination of the Academic session 2021-2022. The School Management looks forward to continued interaction with the parents in the forthcoming session as well.
