

PRITA LEE LESSON SCHOOL

Providing Value Oriented Quality Education Since 1967

ANNUAL REPORT

2025–2026

A Year of Excellence, Growth & Achievement

OUR LEGACY & VISION

Established in 1967 by S. Abnash Singh Ji in cherished memory of Ms. Prita Takhat Singh, Prita Lee Lesson School carries a rich legacy of educational service.

The foundation stone of the school was laid in January 1971 by S. Gurbaksh Singh, son of Bhai Sahib Bhai Takhat Singh Ji, remembered as 'Zinda Shaheed', one of Punjab's distinguished educationists.

Our motto, "Learn to Serve," reflects our belief that education must develop the whole individual—academically, morally, physically and socially.

Guided by our vision of providing value-oriented education, we strive to nurture ethical, responsible and visionary individuals equipped to contribute meaningfully to society.

ACADEMIC EXCELLENCE

Academic achievement remained a defining highlight of the session.

In the CBSE Class X Board Examination 2024–2025, all 75 students who appeared successfully cleared the examination.

CBSE BOARD RESULT

Harsh Kumar secured the position of District Topper with 99.4%, including a perfect 100/100 in English, Social Science and Punjabi.

KINDERGARTEN - BUILDING FOUNDATIONS THROUGH JOYFUL LEARNING

The Kindergarten wing experienced a year of joyful exploration, hands-on learning and holistic development.

Age-appropriate activities supported children across key developmental areas. Games and motor activities strengthened coordination and balance; storytelling, conversations, picture reading, phonics and poem recitation developed language and confidence; sorting, sequencing and problem-solving encouraged logical thinking; while art, craft, music, movement and celebrations nurtured creativity and cultural appreciation.

The year saw our young learners grow into confident, expressive and enthusiastic individuals, laying strong foundations for lifelong learning.

SPORTS EXCELLENCE

The session witnessed an impressive display of sporting talent across multiple levels.

5 students represented the school at the National Level, while 7 students participated at the State Level.

At the Inter-School Sahodaya Competitions, our students secured 2 Gold and 2 Bronze Medals.

Our sporting achievements were further strengthened by outstanding individual performances across Cluster, Block and District competitions, as well as Chess at the Sahodaya level.

SPORTS MEDAL HIGHLIGHTS

Level	Gold	Silver	Bronze
Cluster	3	9	5
Block	10	5	2
District	6	6	4

OLYMPIAD ACHIEVEMENTS

Olympiads provided students with opportunities to challenge themselves, apply their knowledge and compete at a wider level.

These achievements reflect our students' enthusiasm for learning and their commitment to academic excellence.

OLYMPIAD GOLD MEDALS

Mathematics — 14 | Science — 15 | English — 11 | Hindi — 4 | Social Studies — 3 | General Knowledge — 3

CO-CURRICULAR EXCELLENCE

Co-curricular activities remained an integral part of student development, providing opportunities to build confidence, creativity, communication and leadership.

Intra-Class Competitions: Role Play, Poem Recitation and Debate.

Inter-House Competitions: Rangoli Making, Board Decoration, Chess, Debate and Quiz.

SAHODAYA ENGAGEMENT

Prita Lee Lesson School had the distinction of hosting the Inter-School Sahodaya Model Making Competition, providing a platform for innovation, creativity and collaborative learning.

Our students also participated in Inter-School Debate and Yoga Competitions, representing the school with enthusiasm and confidence.

TEACHER DEVELOPMENT

Professional development remained an important focus throughout the session.

Teachers participated in workshops and capacity-building programmes covering Leading Transformation; Gender Sensitivity; Reflective Teaching & Innovative Strategies; STEM Education & 21st Century Skills; Environmental Studies; STEM DLD; and English Core.

These initiatives supported continuous professional learning and strengthened our commitment to effective, innovative teaching.

LOOKING AHEAD

The achievements of 2025–2026 represent more than statistics. They reflect effort, discipline, resilience, teamwork and a shared commitment to excellence.

We remain grateful to our management for its vision, our teachers for their dedication, our parents for their continued support and, above all, our students for inspiring us with their determination and potential.

As we move forward, Prita Lee Lesson School remains committed to creating an environment where every learner is encouraged to think, explore, create, lead and serve.

The journey continues—with greater aspirations, renewed purpose and an unwavering commitment to excellence.
